Bernard of Quintavalle, Leo, Ruffino, Maseo, and Sylvester were some of the first men to follow in the footsteps of St. Francis. Hundreds of years later, the spirit of St. Francis resonates through the men who continue to imitate his example. The passages these men travel are diverse and they are many.

“Road to the Robe” celebrates the unique paths of these men called Capuchin friars, and their ultimate “yes” to the Lord in the same spirit of His humble servant St. Francis.
